

HEALTHCARE COVERAGE OPTIONS IN GEORGIA | 2025

Georgia has a variety of state programs to encourage access to affordable, quality health care for its residents and reduce the uninsured population.

GEORGIA MEDICAID

1A Traditional Medicaid Coverage

A medical assistance program that provides healthcare coverage to Georgians who meet specific eligibility criteria, including limited income and resources

GEORGIA DEPARTMENT OF COMMUNITY HEALTH

Medicaid coverage may be available to different groups of individuals, including:

- Pregnant Women
- Children under 19
- Individuals 65 and over
- Legally Blind
- Individuals needing or receiving nursing home care
- Individuals with a disability
- Parent or caretaker with a child under 19

1B Georgia Pathways to Coverage™

A category of Medicaid coverage that helps low-income Georgians who meet qualifying activities requirements and are not otherwise eligible for traditional Medicaid coverage

Pathways coverage may be available to individuals who:

- Are between 19-64 years old
- Have a household income of up to 100% of the Federal Poverty Level (FPL). For example, in 2025, this equals:
 - \$15,650/year or \$1,304 on average per month for one person
 - \$26,650/year or \$2,220 on average per month for a family of three
- Are completing at least 80 hours of qualifying activities per month

Qualifying activities include:

- Full-time or part-time employment
- On-the-job training
- Job readiness assistance programs
- Community service
- Vocational Educational training
- Enrollment in the Vocational Rehabilitation program through GVRA
- Higher education through enrollment in public and private universities and technical colleges
