What is Georgia Pathways to Coverage™?

In 2023, Georgia's Department of Community Health (DCH) launched Georgia Pathways to Coverage™, a Medicaid eligibility category that seeks to increase access to affordable, quality healthcare coverage for people who would not otherwise be eligible for traditional Medicaid.

To be eligible for Pathways, an applicant should:

- Be a Georgia resident
- Be a U.S. citizen or legally residing non-citizen
- Be between 19 and 64 years of age
- Have a household income of up to 100% of the Federal Poverty Level (FPL). For example, in 2024, this equals:
 - \$15,060 per year or \$1,255 on average per month for one person
 - \$25,820 per year or \$2,151 on average per month for a family of three
- Prove that you are doing at least 80-hours of qualifying activities per month
 - For Pathways applicants fulfilling the requirement through higher education, current college course-load credit hours will be granted qualifying activity hours as following:
 - At least 11.5 credit hours will count as 80 hours per month
 - Between 5.50 and 11.49 credit hours will count as 40 hours per month
 - Between 0.01 and 5.49 credit hours will count as 20 hours per month
- Not qualify for any other type of Medicaid
- Not be incarcerated

Qualifying activities include full-time or part-time employment, on-the-job training, job readiness assistance programs, community service, vocational educational training, enrollment in the Vocational Rehabilitation program of the Georgia Vocational Rehabilitation Agency (GVRA), and higher education through enrollment in public and private universities and technical colleges.

How Does Pathways Benefit Your Organization?

As a trusted provider of public services across Georgia, your organization is in a unique position to help connect potentially eligible individuals to Pathways. We hope that by supporting this program, together we can collectively further the state's goal to increase access to affordable health care for Georgians and help them on their journey to financial independence. In turn, we hope to champion well-being and create overall healthier communities in Georgia.

What is the Pathways Influencer Toolkit?

The Pathways Influencer Toolkit is designed to equip your organization with tools to spread awareness about Pathways in your communities. Tools include informational one-pagers, flyers

For media inquiries on all general Pathways questions, please refer the reporter to DCH Press Secretary Fiona Roberts at fiona.roberts@dch.ga.gov.

and standard Pathways language for use across your own communication channels, and Pathways FAQs.

How Can You Use the Pathways Influencer Toolkit?

Please use these resources to help reach the people in your community – families, patients, medical providers, local government agencies, community partners and more. We encourage you to share these resources with your network via email, by distributing flyers at events, by posting Pathways flyers in your physical locations, and by using the prepared Pathways language on your website, newsletter, and social media posts.

What's Included?

This document contains Pathways language for your own communications channels. The informational one-pagers, flyers, and FAQs are available on the [Pathways website \(pathways.georgia.gov\)](http://pathways.georgia.gov).
